

PROGRAM

1st Student Congress Food-Nutrition-Health Sarajevo, 07.-09.07.2016.

DAY 1, 07.07.2016.		
Auditorium at Faculty of Agricultural and Food Science		
16:00-17:00	Registration	
17:00-17:30	Opening ceremony	
17:30-18:00	Plenary lecture, Prof.dr. Faruk Čaklovića	
18:00-20:00	Wellcome party	
DAY 2, 08.07.2016.		
Auditorium at Faculty of Agricultural and Food Science		
SECTION 1: PRIMARY PRODUCTION AND PROCESSING OF FOOD		
MODERATORS: Nermina Đulančić and Eda Džinović, student		
8:00-9:00	Registration	
9:00-09:15	Emina Jašarević , Faculty of Agricultural and Food Science UNSA, BiH	The effect of temperature of heating during distillation on the content of furfural and the aroma of apple distillate
09:15-09:30	Ivona Kučera , Faculty of Agriculture, University of Josip Juraj Strossmayer in Osijek, Croatia	Winter wheat agrofortification by foliar application of zinc and selenium
09:30-09:45	Sanja Grubišić , Faculty of Agriculture, University of Josip Juraj Strossmayer in Osijek, Croatia	<i>In vitro</i> bioavailability of wheat grain iron and zinc
09:45-10:00	Muamer Pekmez , Faculty of Agricultural and Food Science UNSA, BiH	Opportunities of improving autochthonous cattle breed Busha through organic farming production model
10:00-10:15	Neira Fazlović , Veterinary Faculty, UNSA, BiH	Bovine cysticercosis
10:15-10:30	Milica Bučković , Biotechnical faculty, University of Montenegro, Podgorica	Study of the productivity of some Dutch potato varieties in the mountain region of Montenegro
10:30-10:50	Break	
SECTION 2: FOOD ADDITIVES		
MODERATORS: Prof.dr. Nermina Đulančić and Samra Isić, student		
10:50-11:05	Leja Forstnerič , Faculty of Health Sciences, University of Ljubljana, Slovenia	How much sugar did you eat today?

11:05-11:20	Amela Đuderija , Faculty of Agricultural and Food Science UNSA, BiH	Aspartame as a sweetener
11:20-11:35	Fatima Pezić , Veterinary Faculty, UNSA, BiH	Nutricines in function reducing stress at production domestic poultry
SECTION 4: CURRENT TRENDS IN FOOD ANALYSIS		
MODERATORS: Doc.dr. Aleksandra Marjanović and Eda Džinović, student		
11:35-11:50	Jelena Topić , Faculty of Pharmacy, University of Ljubljana, Slovenia	Development of a simple method for the extraction of pharmaceuticals from fish
11:50-12:05	Albert Maqellara , Faculty of Dentistry, University of Tetova, Republic of Macedonia	The impact of dark chocolate in tooth decay
12:05-12:20	Azra Jerlagić , Faculty of Pharmacy UNSA BiH	Determination of the antioxidant capacity of acai berries (<i>Euterpe oleracea L.</i>)
12:20-14:00	Lunch break	
SECTION 3: FOOD SAFETY AND TOXICOLOGY		
MODERATORS: Doc.dr. Aleksandra Marjanović and Samra Isić, student		
14:00-14:15	Vedran Supur , Faculty of Pharmacy UNSA, BiH	Pharmacological agents for athletes recovery
14:15-14:30	Vedad Terzić , Faculty of Pharmacy UNSA, BiH	Sports supplement market – example of BiH
14:30-14:45	Haris Hadžović , Faculty of Pharmacy UNSA, BiH	Implementation of HACCP system in schools of Sarajevo Canton
14:45-15:00	Break	
MODERATORS: Prof.dr. Zarema Obradović and Amina Tucak, student		
15:00-15:15	Nikolina Galić , Veterinary Faculty, UNSA, BiH	Trichinellosis – epidemiology and zoonotic potential
15:15-15:30	Ibrahim Alihodžić , Veterinary Faculty, UNSA, BiH	Campylobacteriosis - current problem of public health
15:30-15:45	Kadribašić Amina , Veterinary Faculty, UNSA, BiH	Toxoplasmosis in public health
15:45-16:00	Eldina Smječanin , Faculty of Health Sciences UNSA, BiH	RASFF system as the tool for ensuring food safety
DAY 3, 09.07.2016. Auditorium at Faculty of Pharmacy		
SECTION 5: LIFECYCLE NUTRITION		

MODERATORS: doc.dr. Vildana Džemidžić and Amina Tucak, student		
09:00-09:15	Nizama Rudić-Aliefendić , Faculty of Health Sciences UNSA, BiH	Diet as a risk factor for cardiovascular disease
09:15-09:30	Enisa Škandro , Faculty of Health Sciences UNSA, BiH	Nutrition knowledge and obesity as health risk
09:30-09:45	Orhan Omerhodžić , Faculty of Dental Medicine UNSA, BiH	Association between modern lifestyle and orthodontic anomalies – A literature review
09:45-10:00	Bajraktarević Nejra , Faculty of Dental Medicine UNSA, BiH	Food influence on development of orofacial system
10:00-10:20	Break	
MODERATORS: Doc.dr. Arzija Pašalić and Samra Isić, student		
10:20-10:35	Samra Ademović , Faculty of Educational Sciences UNSA, BiH	Learning about the diet of school children by using Project-method
10:35-10:50	Anela Hejub , Faculty of Educational Sciences UNSA, BiH	The educators role in development of healthy eating habits of primary school pupils
10:50-11:05	Nikolina Radovanović , Faculty of Educational Sciences UNSA, BiH	Children's attitudes about the quality of the day care menu
11:05-11:20	Dženis Veljačić , Faculty of Educational Sciences UNSA, BiH	Menu analysis in preschools
11:20-11:40	Break	
MODERATORS: Doc.dr. Sanela Rustempašić and Amina Tucak, student		
11:40-11:55	Adrijana Kožljak , Faculty of Educational Sciences UNSA, BiH	Methodical approach to proper nutrition in The First Cycle of Elementary Education
11:55-12:10	Suada Tabaković , Faculty of Educational Sciences UNSA, BiH	Karateists' nutritional habits
12:10-12:25	Samra Isić , Faculty of Educational Sciences UNSA, BiH	Nutrition of elderly persons
12:25-12:40	Milica Stanišić , Faculty of Health Sciences UNSA, BiH	Water as an essential nutrient - the physiological basis of hydration
12:40-14:00	Lunch break	
MODERATORS: Doc.dr. Alisa Tiro and Samra Isić, student		
14:00-14:15	Edita Marevac , Faculty of Educational Sciences UNSA, BiH	Nutrition of physically active students in comparison to those who are not engaged in sport
14:15-14:30	Nermin Šabić , Faculty of Educational Sciences UNSA, BiH	Analysis of students' nutrition in Public institution Student Centre Sarajevo
14:30-14:45	Amer Kubat , Faculty of Dental Medicine UNSA, BiH	Nutrition, health and habits of students of the University of Sarajevo

14:45-15:00	Adem Sažić , Faculty of Pharmacy UNSA, BiH	Dietary habits of Pharmacy students in Sarajevo
15:00-15:15	Ruhide Azemi , Faculty of Medical Sciences, University of Tetova, Macedonia	Correlation between nutritional patterns and body mass index values of students at the Medical Faculty in Tetovo
15:15-16:30	Round table: Current issues in food production and placement on domestic and international market (Auditorium at Faculty of Agricultural and Food Science)	
20:00	Gala dinner – Pivnica HS Restaurant	
DAY 3, 09.07.2016. Auditorium at Faculty of Agricultural and Food Science		
SECTION 6: DIETOTHERAPY		
MODERATORS: doc.dr. Jasmina Đeđibegović and Eda Džinović, student		
09:00-09:15	Karačić Alma Faculty of Pharmacy UNSA, BiH	Dietary Supplements for Treatment of Anxiety
09:15-09:30	Vedran Supur , Faculty of Pharmacy UNSA, BiH	Food drug interactions
09:30-09:45	Vedad Terzić , Faculty of Pharmacy UNSA, BiH	Design, development and marketing of functional food - From idea to finished product
09:45-10:15	Break	
10:15-10:30	Minela Husejinović , Faculty of Health Sciences UNSA, BiH	Risk factors for the development of diabetes mellitus type II
10:30-10:45	Aida Begić , Faculty of Pharmacy UNSA, BiH	BMI index and food supplements in correlation to Diabetes Mellitus type
10:45-11:00	Padalo Asima , Faculty of Pharmacy UNSA, BiH	Micronutrients in diabetes
11:00-11:15	Kulenović Amela , Faculty of Pharmacy UNSA, BiH	Alpha lipoic acid as a dietary supplement: molecular mechanisms and therapeutic potential
11:15-11:45	Break	
SECTION 7: ORGANIC AND TRADITIONAL FOOD		
MODERATORS: Amila Vranac, Ass. and Ivona Brkan, student		
11:45-12:00	Peša Martina , Veterinary Faculty, UNSA, BiH	The impact of donkey's milk on man's health
12:00-12:15	Anđela Sefer , Veterinary Faculty, UNSA, BiH	Comparison of the nutritional value of Travnicki and Livanjski cheese
12:15-12:30	Mirza Pašalić , Faculty of Agricultural and Food Science UNSA, BiH	Effect of sowing time on qualitative and quantitative characteristics of spelt (<i>Triticum spelta</i> L.)

12:30-14:00	Lunch break	
14:00-14:15	Anesa Sušić , Faculty of Pharmacy UNSA, BiH	Misconceptions about organic food
14:15-14:30	Sumedina Spahić , Faculty of Agriculture, Selcuk University, Turkey	Consumer behaviour when purchasing organic products; example of the city of Konya
15:15-16:30	Round table: Current issues in food production and placement on domestic and international market	
20:00	Gala dinner – Pivnica HS Restaurant	

DAY 2, 08.07.2016. Faculty of Agricultural and Food Science		
POSTER PRESENTATIONS Schedule: 10:20-10:50 i 15:00-15:30*		
Sekcija 1 P	Amina Mujala , Faculty of Science UNSA, BiH	Genetically modified plants as food
Sekcija 2 P	Šejla Nefić , Faculty of Science UNSA, BiH	Qualitative and quantitative analysis of artificial colors in instant juices
Sekcija 3 P	Sabina Grebović , Faculty of Science UNSA, BiH	Microplastics in diet: hygienic products as a possible source of contamination
Sekcija 3 P	Rijalda Mekić , Faculty of Science UNSA, BiH	Microplastic contaminants of the digestive and respiratory system of consumer fish <i>Atherina hepsetus</i> Linnaeus, 1758 available at markets within Bosnia and Herzegovina
Sekcija 3 P	Nudžejma Jamaković , Faculty of Agricultural and Food Science UNSA, BiH	Mycotoxins in food chain
Sekcija 3 P	Aida Mostić , Faculty of Agricultural and Food Science UNSA, BiH	Physicochemical properties of meadow honey collected in the area of the Sarajevo Canton
Sekcija 3 P	Elona Xhemaili , Faculty of Medical Sciences- Department of Pharmacy, State University of Tetova, Republic of Macedonia	Usage of ginkgo biloba (<i>Ginkgo biloba</i> L.), its effects and toxicology
Sekcija 4 P	Emina Širić , Faculty of Science UNSA, BiH	The Content of Unsaturated Fatty Acids in Different Lipids
Sekcija 4 P	Selma Beganović , Faculty of Science UNSA, BiH	<i>In vitro</i> testing of inhibitory effects of wild bilberry fruit from mountain Vranica on bacterial growth

Sekcija 5 P	Valentina Gluvić , Faculty of Science UNSA, BiH	Comparison of composition of human milk, cow milk and infant formulas
Sekcija 5 P	Badema Begović , Faculty of Dental Medicine UNSA, BiH	Food, diet and dental erosion
Sekcija 5 P	Merima Šehić , Faculty of Agricultural and Food Science UNSA, BiH	Food environments in university dorms
Sekcija 5 P	Benjamin Halilović , Faculty of Health Sciences UNSA, BiH	Proteins – essential nutrients and bone health
Sekcija 6 P	Lamija Alihodžić , Faculty of Science UNSA, BiH	Investigation of antibacterial activity of fruit of wild lingonberry from the mountain Vranica
Sekcija 6 P	Azra Bešović , Faculty of Pharmacy UNSA, BiH	Phytotherapy - the old and the modern method of healing
Sekcija 7 P	Irfan Ćurić , Veterinary Faculty, UNSA, BiH	Indigenous breeds of Bosnian and Herzegovinan, future organic production of meat and milk
<p>* Authors presenting a poster must be in attendance at their poster boards during the hours listed in the scientific program.</p>
